

1.Lay out the ingredients

- Retrieve bread from above microwave.
- Collect peanut butter from cabinet to the right of the stove.
- Select jelly (strawberry or grape) from bottom shelf of fridge.
- Place two slices of bread on a plate or clean surface.

2. Spread the peanut butter

- Use a butter knife to scoop some peanut butter.
- Spread it evenly on one slice of bread, careful not to push any over the edges.

3. Spread the jelly

- Clean the knife with warm water and paper towel to avoid cross contamination.
- Use the clean butter knife to scoop some jelly.
- Spread jelly evenly on the second slice of bread.

4. Put the slices together

- Carefully place the peanut butter side and jelly side facing each other.

5. Press gently

- Lightly press the sandwich together so the fillings stick to the bread.

6. Cut (optional)

- Cut the sandwich in half diagonally or straight across if desired.

7. Serve and enjoy

- Eat immediately, or pack it for later.
